# PATTERN INSTRUCTIONS

**Use a ½" seam allowance throughout, unless otherwise stated.**

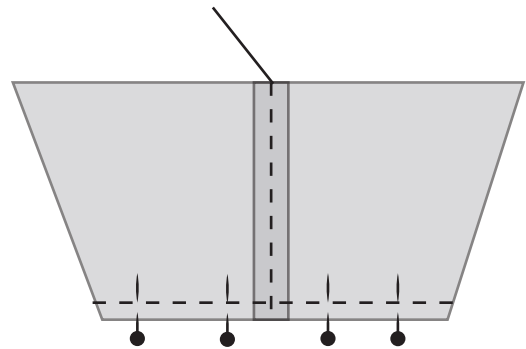

Iron your interfacing to the wrong side of your outer fabrics pieces.

Place your outer pieces right sides together. Pin in place and cut a 4"(L), 3 ½"(M) or 3"(S) square off each bottom corner. Stitch the base and sides, leaving the top and corner sections open. Repeat for lining pieces.

Take your bottom corner edges and pinch together with the sides of the cube, matching up the side seams. Press your seams open.

Pin and stitch to close corners to box out the base of the cube.

# PATTERN INSTRUCTIONS

Repeat all steps for lining pieces, **leaving a 3" gap for turning your cube.**

Turn outer and lining pieces right sides out and press.

Fold the lining inside out and place the outside of the bag inside the lining, right sides together, matching side seams. Pin and sew with a 1/2" seam allowance around the top edge of the cube.

Turn the cube right sides out through the opening left in the lining. Sew the gap in the lining closed. Press your bag then topstitch around the top of the bag. Press.

# PATTERN INSTRUCTIONS

Fold down the top of the cube 1-2" to show the contrasting lining.

Your storage cube is ready to use.
