# PATTERN INSTRUCTIONS

**Please read through the pattern instructions in full before you commence sewing.**

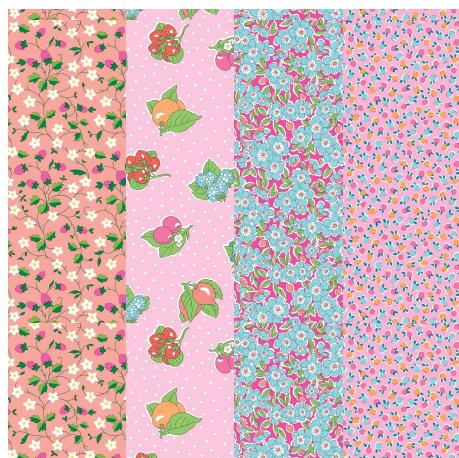

**1/4" seam allowance is used throughout, unless otherwise stated.**

**Refer to the front cover quilt image for guidance on block layout and fabric placement.**

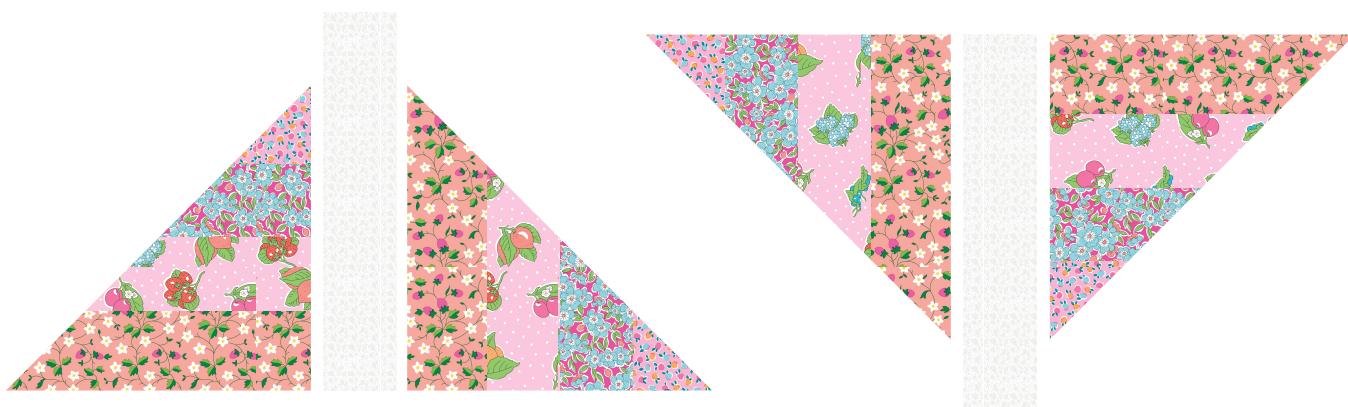

Take 4 of the coloured 12 1/2" strips and sew together into a block as shown below, paying attention to colour order.

Repeat to make 4 blocks. Press seams out.

Cut all 4 blocks in half and store top half to make second cushion or bag.

Sew the cut half pieces to two of the 15 1/2" strips as shown below. Press seams out. You will have a longer section overhanging, this will be trimmed later.

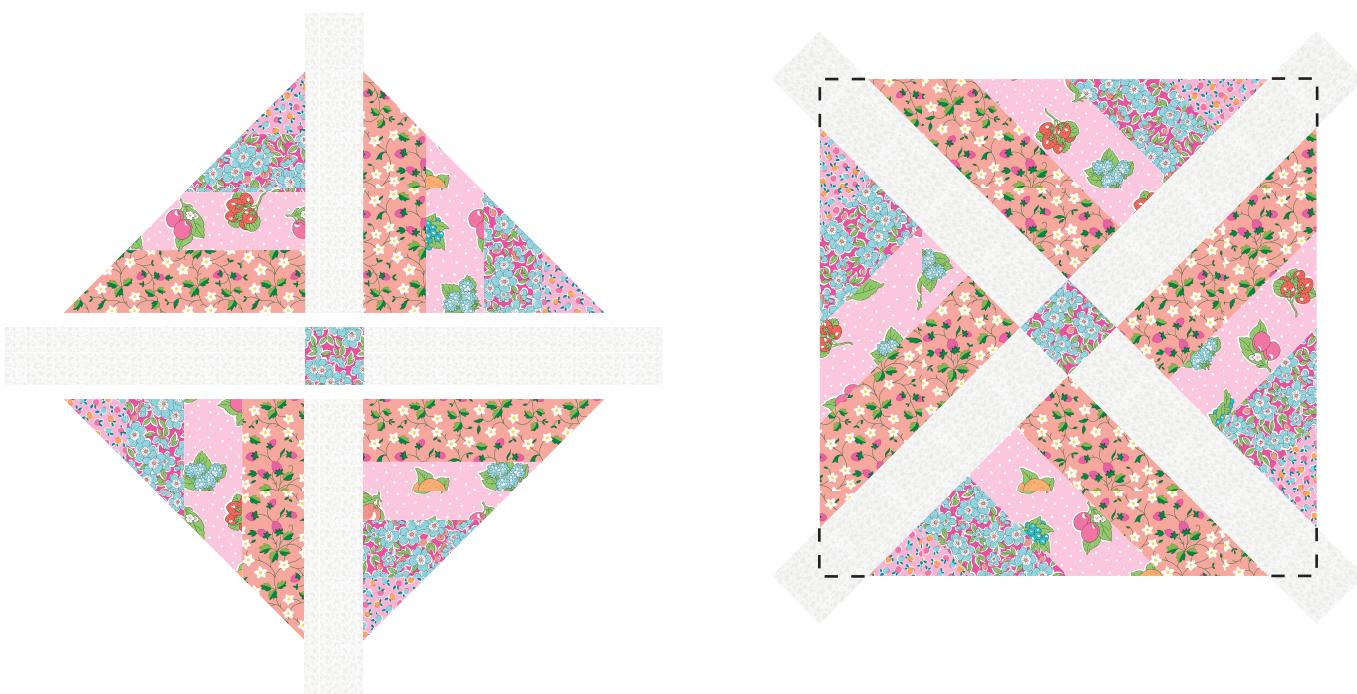

# PATTERN INSTRUCTIONS

Join two  $15\frac{1}{2}$ " pieces lengthways to one pink  $3\frac{1}{2}$ " square.

Sew all joined sections together.  
Press and trim excess fabric from corners.

Repeat to make other cushion/tote bag side.

Finish your cushion by sewing your zipper into your back pieces following your preferred method, or follow the suggested tutorial link via the QR code below (follow the extended zipper version when adding your zip to reduce bulk in the seam).

Sew your cushion together using a  $1/2$ " seam allowance and insert cushion fill to finish.

# PATTERN INSTRUCTIONS

If you are making the tote bag, use remaining excess fabric from the lining pieces to make two bag handles, following your preferred method, or follow the tutorial link below to finish your bag.
