PATTERN INSTRUCTIONS

Half Square Triangles

Make your half square triangles following the instructions below:

Place two 3 ½" squares right sides together.

Draw a diagonal line from corner to corner. This will be your cutting line.

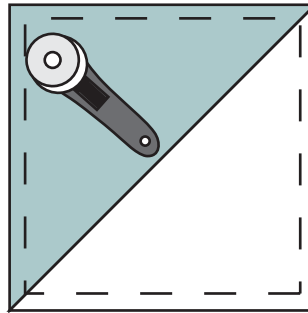

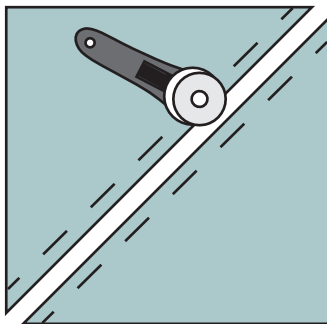

Sew the squares a scant ¼" away along each side of the cutting line.

Cut in half diagonally along the drawn line.

Open and press the seam towards the darker coloured side.

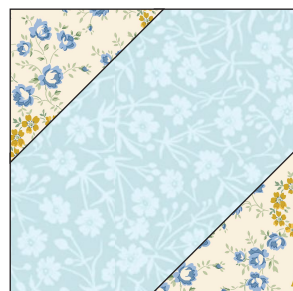

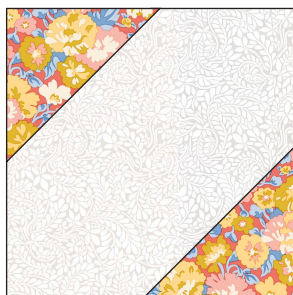

Trim your squares back to 3" if needed.

NOTE: Take care when using directional prints and place face up first then place non directional prints face down on top. This way you know your directional print will always be laying the right way once your triangles are sewn.

Centre block

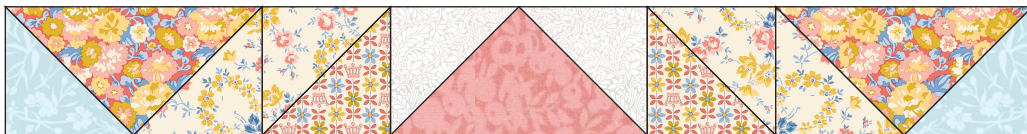

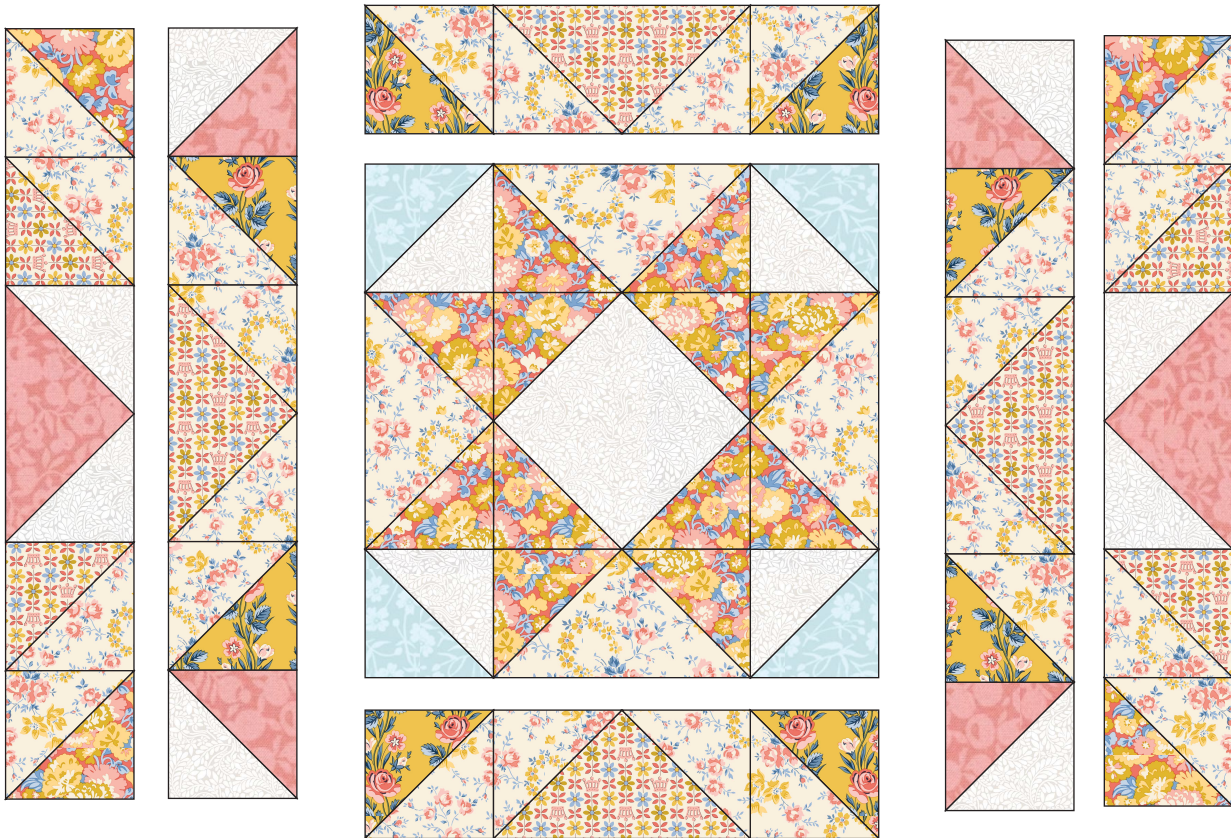

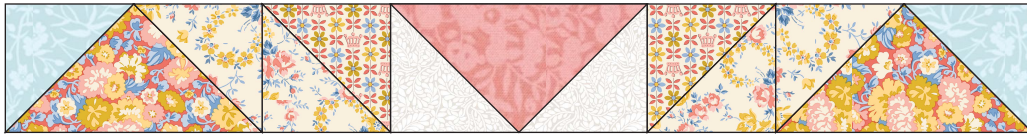

Using the flying geese instructions, make your centre block piece for each cushion using your 5 ½" squares and four 3" squares for each cushion .

PATTERN INSTRUCTIONS

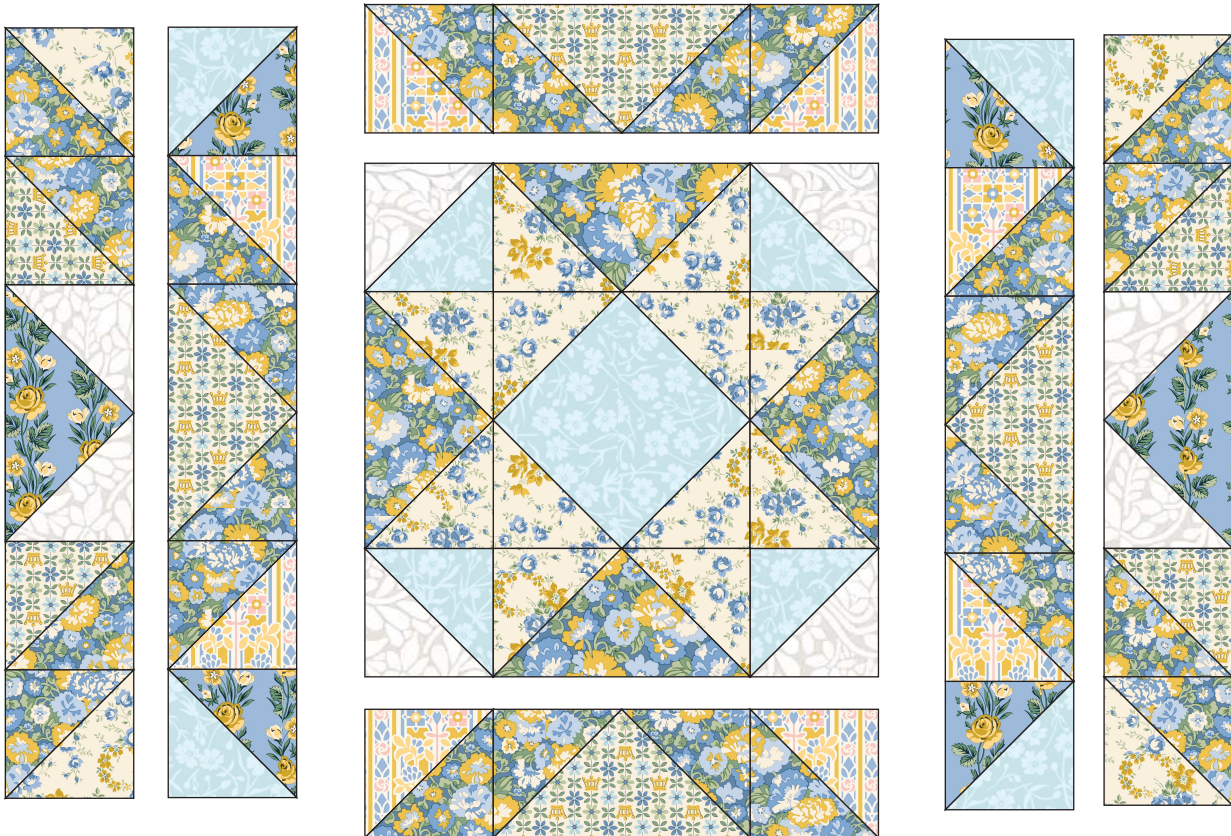

Follow the diagrams to assemble your cushions.
